The information, documentation, plans, etc. that are a product of this award by the successful Tenderer, will become the exclusive property of the Bank. The Bank also reserves the right, in its sole and absolute discretion, to reject any Bid which, in the Bank’s opinion, does not sufficiently comply with the requirements of the Call for Tender. Accordingly, the Bank will not be responsible for any liabilities, costs, expenses, loss or damage incurred, sustained, or suffered by any Tenderer by reason of the acceptance or the non-acceptance by the Bank of any Bid, or by reason of any delay in the acceptance of a Bid.

In addition, the Bank reserves the right to cancel the tendering process and reject all Bids at any time prior to the award of the Agreement, without incurring any liability to the affected Tenderer, or any obligations to inform the affected Tenderer of the grounds for the Bank’s action.

If the Bank considers that a correction, explanation, or interpretation is necessary or desirable, an Addendum will be issued and posted on the Bank’s website.

Arithmetical errors will be rectified on the following basis:
